
NBBJ Summer Internship Program

Passionate about design? Willing to take risks? Desire to be an integral part of a high-performing team? If so, we are looking for you!

Our vision is “to shape a future that enhances life and inspires human potential and spirit through design.” This program supports our vision by maximizing learning experiences of both students and our staff. You will be paired with a mentor within your studio or project team and meet monthly with other summer interns via video across our U.S. locations.

You will gain experience in all phases of the design process, by working closely with architects and designers on a specific project(s) as an integral member of the project team. Projects vary in size and scope, ranging from complex healthcare facilities, court houses and corporate buildings and interiors to international high-rise competitions. This is a full-time, paid internship that will last a minimum of eight weeks to be completed anytime between May and September.

We would love to hear from you if you are:

- fearlessly creative, enthusiastic, inquisitive and passionate about design
- collaborative, team-oriented with integrated design and leadership capabilities
- possess strong written, verbal and graphic communication skills
- have an aptitude for digital software including: Revit, 3DS Max, SketchUp, Rhino, Adobe Creative Suite, AutoCAD, Grasshopper, Ecotect
- have strong physical model building skills

All interested students who are currently enrolled in a U.S.-based higher education program and will return to school in the fall following the internship are encouraged to apply. Selected candidates will receive a formal offer letter; students not selected will also receive notification via email.

To apply for an NBBJ summer internship:

1. Visit our [Career Center](#) to create your profile and view the available opportunities and deadlines.
2. Attach the following information to complete your internship application:
 - a cover letter stating your design discipline(s) and location preference(s)
 - your resume – please include your expected date of graduation
 - a color portfolio of your work in PDF format (each page should be the printable size minimum of 8.5”x11” and maximum of 11”x17”)

If you choose to provide a link to your online portfolio, you must also include a PDF version of your portfolio to be considered.
